

GRFCt TOKEN IDENTIFICATION NOTICE

GRFCt (TRWAt Tokenized)

Instrument name: GRFCt Digital Participation Certificate

Display name: GRFCt (TRWAt Tokenized)

Instrument category: Digital Participation Certificate (DPC)

Form: Tokenized digital certificate

Blockchain / Network: [Solana]

Token standard: [Token 2022]

Contract address: [8rxVd2YMAhxs31ZnmjibN5fcA997rKbJdwxyzDscpAixQ]

Decimals: [9]

Maximum supply: [10,000,000]

Accepted payment currency: [USDT / USDC / EUR / other]

Official Website: [grafcem.com]

1. Purpose of this Notice

This Token Identification Notice is published to identify the official GRFCt token / digital certificate connected with the GRAFCEM project.

Only the token with the official contract address stated in this Notice should be treated as the official GRFCt Digital Participation Certificate.

Any token with a different name, ticker, contract address, logo, website or issuer information should be treated as unofficial unless confirmed by GRAFCEM through its official channels.

2. Project Identification

GRAFCEM is a technology project in the construction materials sector, developing graphene-modified cement, concrete mixes and materials for conventional construction and 3D-printed buildings.

GRFCt is issued in connection with the GRAFCEM project and is intended to represent a digital participation certificate linked to the project's official documentation.

3. Token Identification Data

Official token name: GRFCt
Display name: GRFCt (TRWAt Tokenized)
Ticker: GRFCt
Category: Digital Participation Certificate
Blockchain network: [Solana]
Contract address: [8rxVd2YMAhxs31ZnmjibN5fcA997rKbJdwxyzDscpAixQ]
Token standard: [Token 2022]
Decimals: [9]
Maximum supply: [10,000,000]
Project: GRAFCEM

The Issuer may update this Notice if the token is migrated, reissued, bridged or technically updated. Any such update must be published through official GRAFCEM channels.

4. Nature of GRFCt

GRFCt is a digital participation certificate.

GRFCt is not an ordinary share, does not represent direct ownership of GRAFCEM or the Issuer, and does not automatically provide voting rights, management rights, dividend rights or shareholder status.

Any rights connected with GRFCt are contractual and are defined only by the official GRFCt Final Terms, Risk Disclosure Policy and other official GRAFCEM documentation.

5. Official Sources

The following sources should be treated as official:

- official GRAFCEM website: [grafcem.com];
- official GRFCt documentation page: [grafcem.com];
- official token contract address:
[8rxVd2YMAhxs31ZnmjibN5fcA997rKbJdwxyzDscpAixQ];

Information published by third parties, exchanges, aggregators, social media accounts, influencers or unofficial websites may be inaccurate and should not be relied upon unless confirmed by GRAFCEM.

6. Warning Against Fake Tokens

Users must verify the contract address before purchasing, transferring or interacting with GRFCt.

GRAFCEM is not responsible for losses caused by interaction with fake tokens, incorrect contract addresses, phishing websites, unofficial links, impersonators or fraudulent offers.

Before any transaction, users should verify:

- the official contract address;
 - the blockchain network;
 - the token ticker;
 - the official website;
 - the official documentation;
 - the source of the purchase link.
-

7. No Investment Guarantee

This Notice does not constitute investment advice, legal advice, tax advice, financial advice, a prospectus or a public securities offering.

GRFCt does not guarantee profit, income, liquidity, buyback, conversion, resale value or capital appreciation.

Potential purchasers should read the GRFCt Final Terms and Risk Disclosure Policy before purchasing or holding GRFCt.
